

Alpine Ranch Chili... This is a delicious and easy meal because it's Christmas week. You can make this meal in 20 minutes.

Chili:

1. In a large pan or Dutch oven add a little bit of olive oil and start to brown the Grass-fed ground beef. Add salt and pepper to the beef.
2. When the beef is starting to brown add the organic diced tomatoes. Turn the heat to medium and let the meat and tomatoes cook together for about 10 minutes.
3. Add the beans (organic pinto and black), and chili powder and cumin spice mix (it is in the box). Simmer on low for 20 minutes.
4. If your chili thickens too much, you can thin it out with just a little water. I love a thick chili. This will be your personal preference. 😊

Tortillas: I like to warm my tortillas. You can do this in the oven or microwave or skillet.

.Plate:

Put some chili in a bowl and top it with the cheese. Serve with tortillas.
